

ResComm 2025 Poster Preparation Guidelines

Size: Posters will be mounted on canvas boards using push pins or removable tape (to be provided by the conclave management committee). Posters should be designed to fit a **60 cm x 90 cm display area**.

Display Boards: Each poster will be assigned a designated space on the display board. Please note that additional items such as tables, tripods, or AV equipment will not be allowed or provided.

Poster Setup and Participation: Contributors are expected to mount their posters at least two hours before the scheduled session. **At least one contributor must be present during the scheduled session to answer the questions (if any)** and provide additional information about the poster. Detailed timings for the poster sessions will be shared along with the final programme schedule.

Formatting Recommendations:

- Poster presentation text should include the title, abstract, introduction, methodology, discussion and conclusion. Keep the content concise and focused on the key aspects of the poster presentation.
- **Use a minimum font size of 14 points** for all text, including in graphs, charts, and illustrations.
- **Font: Times New Roman or Georgia**
- All authors and their institutional/organisation affiliations should be listed on a banner at the top of the poster.
- Highlight the name of the presenting author via bold and underline formatting.
- Images and illustrations may be used where relevant to support key points.
